2 **MR GENTLEMAN**: To move—That this Assembly:

(1) expresses it concern about the Office of the Employment Advocate's advocacy of employment contracts that distinguish between voluntary and compulsory overtime and calculate weekly hours by average, rather than consideration of actual hours worked;

(2) notes that these moves undermine efforts by the ACT Government, unions and the community to achieve a balance between work and life;

(3) recognises some of the benefits of flexibility, particularly incorporating family friendly conditions into Canberra's workplaces; and

(4) reaffirms the importance of workers having access to secure employment, regular working hours and appropriate remuneration for work performed. *(Notice given 15 February 2005).*

*3 **DR FOSKEY**: To move—That this Assembly:

(1) acknowledges the invaluable contribution to the Territory of the ACT's outgoing Community Advocate;

(2) recognises that the ACT Government has publicly advertised for applicants for that position;

*6 **MR PRATT**: To move—That this Assembly:

(1) notes:

(a) the community's growing concern about ACT Policing and a commensurate loss of confidence in the Government to protect the community;

(b) that when the community is encouraged by the police to report crime 'in progress' the community is let down by a failure by police to respond on time and/or follow up effectively due to a lack of Government support and resources;

(c) the community's concern that there is a poor visible police presence in the community resulting in criminal and offensive behaviour occurring, often in broad daylight, with impunity; and

(d) the police's lack of ability and confidence to tackle a number of complex situations because they are poorly resourced and because the ACT Government lacks the political will to be tough on crime; and

(2) calls on the Government to:

(b) increase front line policing to provide for an effective community policing presence, as Mr Hargreaves promised to do in 2001; and
