## QUESTIONS ON NOTICE—ROSTERED MINISTER'S QUESTIONS

### Ms Burch (Minister for Tourism, Sport and Recreation)

- No. 1 Mr Doszpot to ask—What has been the uptake of the MARSS men's swimming program which received community funding of \$21, 480 in the 2011-2012 community funding round ? Has the program yet started, and if so how many applications were received? How many men have completed the course of lessons.
- No. 2 Mr Hanson to ask—What impact has the discovery of asbestos at the Lyneham Sports precinct had on the cost and completion. When will the new facility be fully operational.
- No. 3 Mr Coe to ask—The ACT Government initiated the Major Events Strategy or the Blockbuster Fund in the 2011 ACT Budget. How much of the \$1 million allocated to this Strategy in 2011-12 has been utilised and what are the events on which these funds have been utilised. How much of the \$1 million that has been budgeted from this Strategy for 2012-13, has been identified for future events and, if none has been allocated, why not.
- No. 4 Mr Smyth to ask—When you were attempting to determine a concept for your ill-fated “major new annual autumn event”, you told the consulting firm Ernst & Young that: “Once an event has been selected, it would be given hallmark status”. What are the characteristics which are required for an event to be determined as having “hallmark” status.
- No. 5 Ms Hunter to ask—What steps have been taken to tap into the tourism potential of Tharwa, Hall and Pialligo.
