Legislative Assembly for the Australian Capital Territory
Register of Members' Interests

Explanatory Note

General

The purpose of the Statement of Registrable Interests form is to place on the public record Members' and Ministers' interests which may conflict, or may be seen to conflict, with their public duty.

No form can cover all possible circumstances and Members and Ministers should consequently bear in mind the purpose and spirit of the return in deciding which matters should be registered.

Ministers should complete a Statement in their capacity as a Minister and another Statement in their capacity as a Member of the ACT Legislative Assembly. These guidelines apply to both documents, and references made to the "Member" should be read as applying also to the Minister.

Note: There is the need to include under all headings interests to the extent to which the Member is aware of them, of the Member's spouse (including de facto spouse), and any who are wholly or mainly dependent on the Member for support.

When interests are held jointly with a spouse or dependants, the interests need to be included only as interests of the Member with an appropriate notation such as "*jointly owned with spouse*".

Where interests could be included under more than one heading, it is suggested they need be included only under the most specific heading unless two aspects need to be disclosed (e.g. real estate, plus a mortgage liability on that real estate).

- "*Sponsored travel*" means any free or concessional travel undertaken by the Member, the Member's spouse or dependants sponsored wholly or partly by a person, organisation, business or interest group or foreign Government or its representative. It does not include the travel entitlements received by a Member, the Member's spouse or dependants under any determination by the Remuneration Tribunal nor travel undertaken as a Member of an official Assembly delegation. The purpose for which the travel was undertaken should be shown.
- "*Hospitality*" refers to free or concessional accommodation provided to the Members, the Member's spouse or dependants wholly or partly by any person, organisation, business or interest group or foreign Government or its representative. It includes the provision of free or concessional meals provided as part of an accommodation arrangement but does not include hospitality provided in a purely social way by friends or colleagues. Entertainment received from concerned constituents and interest groups legitimately exercising their powers of political persuasion, explanation, or argument on the merits of an issue to further a particular cause or concern need not be included. There is also no need to include entertainment received in common with significant numbers of other Members or persons such as a reception or dinner hosted by a High Commissioner or Ambassador.

In all cases in deciding whether travel or hospitality should be included in a return, a Member should exercise his or her judgement having regard to any appearance of conflict of interest that may arise.
