Re: I am an ACT resident, here is my submission to the inquiry

Dear Secretary,

It is a fundamental principle of life that suicide is wrong and thus to assist someone to die is but suicide by a different name. To legislate for euthanasia (assisted suicide) is thus a wrong-headed idea that will produce most undesirable consequences. It is distressing that legislators committed to the well-being of citizens could even contemplate such legislation. I would like to register my strong opposition to any legislation that would venture into such areas of manipulating human life.

Sincerely,
Peter Frogley
