End of Life Choices in the ACT

Submission Number: 224
Date Authorised for Publication: 29/3/18
Hello
I'll make this quick. I fully support the right of people to access voluntary euthanasia and the ACT should be able to make its own laws about this. That the religious have any say in how people who are suffering terminal illness should die sickens me. We need to change the legislation. Thanks for your time. Pete Milne, Charnwood.
