Submission for EUTHANASIA AND ASSISTED SUICIDE LAW.

We just want to bring to your attention that Doctors take the Oath to save lives, not to kill lives, and that is how it should remain.

We are all responsible for our own lives, and only God should have control over when our life should end.

Why should you in Parliament give the right to doctors or anyone to end peoples lives for whatever reason..... You think it will be the end of suffering, but it will only be the beginning of real suffering, because there is life after death, and people will have to account for their actions.

Please leave the law as it is; every country where these laws have be accepted, are showing abuse with the killing off for many ulterior motives.

Many thanks for listening, and hope you will take a responsible path.

Yours faithfully,

I. Morzone.
