Select Committee on End of Life Choices in the H.C.T.
Legislative Assembly for the H.C.T.

Dear Committee,

I do not believe in Euthanasia
as I consider it is murder.

I have a long time ago joined the
Right to Life Association.

People as they age sometimes say "Oh! I
wish I was dead", but in actual fact
they do not mean it.

As we age our body begins to become
weak and weaker.

There is Medical help available and if
an elderly person needs help, there is palliative
care.

We also have a Hospice. People have
been known to have gone to the Hospice and
have come home.

I am against Euthanasia and I say
"No" to Euthanasia.

My grandmother lived to 102 years of
age.

Yours sincerely,

 O.A.M.
