Crimes (Consent) Amendment Bill 2018

As someone who was hounded through hundreds of verbal "No's" until I didn't say no, and that was taken as consent, I don't want this for my daughter. If I ask if I can borrow your car, and you don't say "No", that does NOT mean I can borrow your car. I can only borrow your car if you say "Yes". Why is using a woman's body less important? Only "Yes" is consent.
