Notices

*1 MR HANSON: To present a Bill for an Act to amend the Crimes Act 1900. (Notice given 18 February 2019).

*2 MISS C BURCH: To move—That this Assembly:

(1) notes that:

(a) the Government has claimed to be “levelling the playing field” in the on-demand transport industry, while continuing to institute policies that disproportionately affect the ability of taxi services to remain profitable in comparison to other on-demand services;

(b) perpetual taxi plates previously valued at around $300 000 have lost around 75 percent of their value, and are now worth less than $80 000;

(c) the Government’s 2018 Evaluation of the 2015 Innovation Reforms to the On-Demand Transport Industry in the ACT shows that demand for taxi services has fallen dramatically since the introduction of ride-share in the ACT;
(d) despite the findings of this report, the Government announced it would release a further 142 taxi plates, causing the value of perpetual taxi plates to continue to fall to $45 000-$50 000; and

(e) despite the significant loss in value and income for perpetual plate owners, the Government has refused to offer compensation or a buy-back scheme;

(2) further notes that:

(a) ACT taxi plate owners pay in excess of $20 000 per year total in insurance premiums, while Queanbeyan taxi plate owners pay just under $8 000, and ACT ride-share drivers pay around $1 800;

(b) applicants applying to become taxi drivers can wait up to nine weeks from applying to be granted a Working With Vulnerable Persons card, despite already having the prerequisite criminal history checks; and

(c) currently, vehicles that are used as taxis are only able to be in service for eight years, while vehicles used for other ride-sharing purposes can be 10 years old; and

(3) calls on the Minister for Business and Regulatory Services to:

(a) provide financial compensation or a buy-back scheme for perpetual taxi-plate owners, who have had their investments crippled by the Government’s policy;

(b) implement reforms so that taxi plate insurance premiums more closely align with those paid by Queanbeyan plate owners and other ACT ride-share services;

(c) reform the Working With Vulnerable Persons application process so as to prevent bottlenecks in approvals for licences; and

(d) streamline the age-limit for registrable vehicles across the entire on-demand transport industry. (Notice given 18 February 2019. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A).

Notices—continued

*3 MS LEE: To move—That this Assembly:

(1) notes:

(a) every student and teacher deserves to be safe in ACT schools;
(b) the lack of data kept or asked by the Minister for Education and Early Childhood Development to be kept by the Education Directorate on incidences, injury and implementation of current policies on addressing violence in ACT schools;

(c) it is now three years and three months since Professor Shaddock delivered the *Schools for All Children & Young People, Report of the Expert Panel on Students with Complex Needs and Challenging Behaviour* (Shaddock Report) on managing students with complex needs and challenging behaviours; and

(d) that despite the Shaddock Report’s many recommendations and the implementation committee set up to deliver those changes and despite the additional millions of dollars directed to training of staff and appropriate facilities in schools, reports of anti-social behaviour of students and incidences of violence in ACT schools is on the rise; and

(2) calls on the ACT Government to:

(a) acknowledge the rise of incidences of violence in our schools and the failure of leadership and capability of the Minister for Education and Early Childhood Development to adequately address these issues;

(b) direct the Chief Minister to establish an independent inquiry to undertake a thorough audit of ACT schools to, inter alia, objectively assess current and historic rates of injury, current behaviour management practices, the training that underpins those policies, the reporting processes, and the completion rates for dealing with complaints by parents and teachers, comparisons with management practices in other school systems, and provide recommendations for change; and

(c) report back to the Assembly on the terms of reference, timeline for establishment of the inquiry and delivery of the report by the last sitting day in March 2019. (*Notice given 18 February 2019. (f) the development of the Gungahlin East Precinct provides an opportunity to establish additional community facilities in a central location; and

(2) calls on the ACT Government to:
(a) explore the feasibility of establishing a dedicated community centre in the Gungahlin Town Centre, taking into consideration:
   (i) the diverse needs of the Gungahlin community;
   (ii) the benefits of a central and easily accessible location;
   (iii) the option for including arts facilities as part of the centre; and

MR COE: To move—That this Assembly:

(1) notes:
(a) the need for stronger legislative whistle blower protections in the ACT;
(b) the current processes are complex, lengthy, and often require legal expertise to navigate;
(c) that integrity and confidence in public administration should be a high priority for the ACT Government;
(d) the need for a review of the effectiveness of the Public Interest Disclosure Act 2012 has been repeatedly raised and agreed to during this Assembly;
(e) the Government agreed to Recommendation 78 of the Select Committee on an Independent Integrity Commission’s report tabled on 31 October 2017, Inquiry into an Independent Integrity Commission;
(f) Recommendation 78 of the Inquiry into an Independent Integrity Commission report states:

(i) the Committee recommends that the ACT Government appoint an independent person to conduct a statutory review of the Public Interest Disclosure Act 2012 (the PID Act). The Review, amongst other things, should consider: (a) any potential conflict of interest (real or perceived) as it concerns decision makers and disclosure officers under the PID Act; (b) the findings of the Moss Review examining the operation of the Commonwealth Public Interest Disclosure Act 2013 as it concerns the strengthening of that legislation to achieve the Act's integrity and accountability aims; (c) the matters raised in submission No. 3 (as detailed in paragraph 3.162) to the Inquiry as it concerns the PID Act; (d) application of the PID Act to any future ACT Anti-Corruption and Integrity Commission (ACIC)—in particular, its articulation with any protected disclosure provisions that may apply to any informants providing assistance to the ACIC or anyone consequently at risk; and (e) the suitability of an ACT ACIC for the purposes of receiving disclosures pursuant to the PID Act;

(g) the Government agreed to Recommendation 54 of the Select Committee on an Independent Integrity Commission 2018’s report tabled on 31 October 2018, Inquiry into the establishment of an integrity commission for the ACT report; and

(h) Recommendation 54 of the Inquiry into the establishment of an integrity commission for the ACT report states:

MISS C BURCH: To move—That this Assembly:

(1) notes that:
   
   (a) as of November 2018, the ACT Government is yet to release the 2019 bus timetable;
   
   (b) without access to the proposed timetable, it is nearly impossible to ascertain the impact of the new network on commuters or for the community to provide genuine feedback in the consultation process;
   
   (c) the ACT Government has also not given an indicative commencement date for the 2019 bus network and timetable;
   
   (d) this uncertainty regarding the start date of the new network and timetable will cause inconvenience to students, parents and schools who need to make arrangements for the 2019 school year;
   
   (e) given that 50 schools will have no dedicated school buses, this uncertainty will also disproportionately impact those who must solely rely on the new network to get to and from school; and
   
   (f) there is strong dissatisfaction in the community regarding the ACT Government’s inaction on releasing the commencement date for the 2019 bus timetable and network; and

(2) calls on Minister Fitzharris to:
   
   (a) explain the reasons why the 2019 bus timetable has yet to be released;
   
   (b) explain why the Minister thinks it is appropriate to leave thousands of parents and students, as well as Canberra schools, in the dark regarding these changes, causing inconvenience and uncertainty going into the 2019 school year; and
   
   (c) indicate a definitive commencement date in 2019 for the new network and timetable by 7 December 2018. (Notice given 26 November 2018. Notice will be removed from the Notice Paper unless called on within 2 sitting weeks – standing order 125A).

MR PETTERSSON: To move—That this Assembly:

(1) notes:
   
   (a) the tertiary education and research sector plays an integral role in the ACT’s economy;
   
   (b) a recent study by Deloitte Access Economics found that the tertiary education (which for the purposes of the study included technical and further education (TAFE)) and research sector contributes $3.3 billion and 20 000 full-time equivalent jobs to the ACT economy which equates to approximately nine percent of the ACT economy and workforce;
   
   (c) a critical part of the this sector is the Vocational Education and Training (VET) system;
(d) a properly funded VET system is crucial to ensuring that Canberrans have the skills they need to participate in the labour market which in turn supports our growing city and economy;

(e) the ACT Government acted decisively and successfully negotiated an agreement with the Commonwealth under the National Partnership on the Skilling Australians Fund ensuring the Territory will receive approximately $20 million over the next four years, along with additional funding for specific projects that will help the ACT Government meet the needs of industry and increase the number of apprentices and trainees;

(f) since 2014-15, the ACT has lead the nation in arresting the decline and significantly increasing apprenticeship commencements, while nationally the numbers have continued to decline. In fact from 2015-16 to 2016-17, the ACT increased apprenticeship commencements by 47 percent;

(g) the Government has also proactively targeted and supported a number of key groups in our community to take up apprenticeships and traineeships, for example, recently announcing the recipients of the Mature Workers Grants Program and a second round of the Women in Trades Grant Program;

(h) the ACT Government’s commitment to supporting VET is demonstrated through the Government’s continued support of the Canberra Institute of Technology (CIT);

(i) through the Ninth Assembly Parliamentary Agreement the Government has committed to recognise that CIT should remain the primary provider of high-quality vocational training in the ACT, and to maintain the CIT under public ownership. The Government will continue to directly fund CIT to a minimum of 70 percent of total ACT Government funding for VET; and

(j) the ACT Government’s commitment to strong linkages and integration between the tertiary and VET sectors in the ACT to give students and industry the best access to holistic learning opportunities;

(2) notes the vital role CIT plays in providing vocational education in Canberra, including:

(a) educating and training over 13 000 people last year, with 4 210 program completions;

(b) providing 3 422 apprenticeship and traineeship courses;

(c) holding a 91 percent learner satisfaction rate and a 87 percent employer satisfaction rate; and

(d) ensuring 84 percent of all graduates employed after graduation, compared to the national average of 73 percent;
notes attacks on the vocational education sector coming from Federal and State Liberal governments including:

(a) attempted privatisation of cross-border TAFE services;
(b) opening the funding system and giving billions to shonky providers who lured students in with free gifts and left them with massive debts; and
(c) the Liberal Party propensity to sell off anything and everything, even if it is nailed down; and

calls on all Members of this Assembly to:

(a) support public vocational education and rule out privatisation of this essential institution; and
(b) sign a commitment to keep CIT in public hands. (Notice given 26 November 2018. Notice will be removed from the Notice Paper unless called on within 2 sitting weeks – standing order 125A).

MRS DUNNE: To move—That this Assembly:

(1) notes:

(a) Recommendation 18 of the Interim Report of the Independent Review into the Workplace Culture within ACT Public Health Services (Review), which recommends the establishment of a “Cultural Review Oversight Committee”; and

(b) Recommendations 19 and 20 relate to an annual and independent external review, over three years, of the extent of implementation of the recommendations of the Review; and

(2) calls on the ACT Government, by 31 March 2019, to:

(a) establish a Cultural Review Oversight Committee, including:

(i) terms of reference that reflect the recommendations of the Review report; and

(ii) a requirement that the Committee provide a report on its activities and related outcomes to be published in the annual report of ACT Health; and

(b) appoint an independent chair to the Committee; and

(3) calls on the Minister for Health and Wellbeing to report to the Assembly on the establishment of the Committee and its operating brief by the first sitting day in April 2019. (Notice given 13 February 2019. Notice will be removed from the Notice Paper unless called on within 3 sitting weeks – standing order 125A).
