Inquiry into referred 2018–19 Annual and Financial Reports
ANSWER TO QUESTION TAKEN ON NOTICE
7 November 2019

Asked by Tara Cheyne MLA:

In relation to Parking Infringements issued in Jamison:

MS CHEYNE: Yes. I want to know how many fines have been issued to vehicles in Jamison, I know that Macquarie is one of the top suburbs. But that to me, means Jamison, with the license plate recognition vehicle.

Ms Cubin: Sure. We are swapping over now.

THE CHAIR: Yes, that has been asked. Yes, no, that has been asked.

MS CHEYNE: It has?

Ms Cubin: I will just swap with my colleague.

THE CHAIR: No, it has not.

MS CHEYNE: Hello again.

Ms Potter: Hello again. Good afternoon, my name is Chantel Potter, I am executive branch manager of fair trading and compliance and Access Canberra, and within that falls parking operations in terms of our foot patrol officers and our use of the licence plate recognition vehicles that you referenced in your question. So in terms of Jamison, I assume you are alluding in particular to the trash and treasure issue in relation to—

MS CHEYNE: No, I mean Jamison just generally, because I think any time I do a mobile office there, the van is also there. I am not sure if there is a correlation. But it seems to be there a lot and I get lots of comments about it. So just curious if Jamison just generally is a hotspot. I know that it is on trash and treasure days, but I am curious overall.

Ms Potter: So I do not have numbers to hand in terms of the breakdown of Jamison as a suburb. Did you want that for the annual reported year or did you want it year to date for this calendar year?

MS CHEYNE: Year to date for this calendar year would be great, if that is available to you.

Ms Potter: Okay, yes. We can provide that on notice, yes.

MS CHEYNE: Okay.

Ms Potter: Did you want a separation between trash and treasure and the suburb generally? I just ask because we have had quite a presence at the trash and treasure as a result of—

MS CHEYNE: Yes, that would be useful if it is easy for you to do that and not trying.

Ms Potter: Yes, we can do that.

Gordon Ramsay MLA: The answer to the Member's question is as follows:—

There have been a total 2566 parking infringements issued by foot inspectors and the Licence Plate Recognition (LPR) van for the period from 1 January 2019 to 7 November 2019 in the suburb of Macquarie.

Of the 2566 parking infringements issued, 2263 infringements have been issued through the LPR van and 303 infringements were issued by foot inspectors.

The majority of infringements issued by the LPR van have occurred while the Trash N Treasure markets were operating. However, Access Canberra is unable to breakdown the exact figure attributed directly to the Trash N Treasure markets.
