Inquiry into referred 2018–19 Annual and Financial Reports
QUESTION ON NOTICE

VICKI DUNNE MLA to ask the Minister for the Arts, Creative Industries and Cultural Events

In relation to the 2018-19 annual report of the Chief Minister, Treasury and Economic Development Directorate [ref p77 – new funding model for the arts]

1. Has the discussion paper on the proposed new funding model for arts organisations to commence from 2022 been released;
2. If no, why, and when will it be released; and
3. If yes, when was it released and what is the closing date for feedback?

GORDON RAMSAY MLA: The answer to the Member's questions are as follows:

1. A discussion paper on the proposed new funding model has not been released. However, artsACT regularly update arts organisations on the status of the development of the funding model.
2. Engagement with the community on the arts organisation funding model is ongoing. While a discussion paper was originally proposed as the engagement method for the new funding model, alternate engagement methods are being developed to inform a proposed model. The aim is that the information gathered will be translated into the new funding model. It is anticipated that a draft arts organisation funding model will be released in 2020 for feedback.
3. N/A.
