**QUESTION ON NOTICE**

CLAY: To ask the Minister for Police and Emergency Services

Ref: ACT Policing

In relation to:

The 21/22 Women's Budget Statement states that "The ACT Government developed the Gender Impact Analysis Tool to support analysis of the impact of programs and services on women, men, and gender diverse individuals in the ACT". (Key Milestones, page 2)

How has ACT Policing used the Gender Impact Analysis Tool to ensure that a gender lens has been placed on the programs, policies and services delivered under the Police (and Emergency Services) portfolio?

How many times has the Gender Impact Analysis Tool been applied to programs, policies and services under the Police portfolio?

What has the Gender Impact Analysis shown?

If this analysis has not occurred, why has this not been done? What are the forward plans to ensure this can be done within this term of government?

What percentage of ACTP staff have been trained in using the Gender Impact Analysis Tool?

Who is providing the training for using the tool in ACTP?

Do ACT Policing undertake any Gender Awareness Training? Who provides this training?

MICK GENTLEMAN MLA: The answer to the Member's question is as follows:–

Information relating to gender initiatives is available in the annual reports for ACT Policing. ACT Policing also undertakes education and prevention strategies with partner agencies. I would be happy to facilitate a briefing for the Member.
