Reference: Hansard uncorrected proof transcript 4 November 2022 page 103

In relation to: Levels of public servants with a disability in CSD

**MR MILLIGAN:** My question is in relation to employment within the public service with people with a disability. I want to know what the percentages are, what your target is, what your future goal is in this space, what levels are they employed at as well as do you offer skills and training of people with a disability who are employed in the public service.

Are you able to identify the levels?

**MS RULE:** I can take that on notice.

**MINISTER DAVIDSON:** The answer to the Member's question is as follows:–
