Thank you for taking the time to look into the cost of living pressures.

Please consider offering a low income assistance to Early Childhood Educators

What would help is a card that would give us

*free healthcare (it costs \$40 for a sick leave certificate for 2 days or \$30 out of pocket from the Hyperdome medical centre who used to be just bulk billed)

* reduced registration for vehicles- We cant afford to buy electric cars and this puts us at a disadvantage

Thankyou for your consideration and support of those who serve the community.

Kind Regards
