Dear Mr ~~Cain~~ *Peto*

I write in relation to the Inquiry into Justice (Age of Criminal Responsibility) Legislation Amendment Bill 2023 that has been announced. The Government does not propose to make any further submission beyond the Bill, my presentation speech, and the Explanatory statement including Human Rights compatibility statement. The Bill and the Explanatory Statement are on the ACT Legislation Register, and my presentation speech is attached.

Nonetheless, I would be pleased to provide any additional information required, and understand I will be attending the public hearing on 15 June 2023. If the Committee is inclined, I can seek officials from the Justice and Community Safety Directorate also attend.

Yours sincerely *SR*

  
Shane Rattenbury MLA  
Attorney-General

*4* June 2023
