 - (1) notes that:
 - (a) the *Australian Capital Territory (Self-Government) Act 1988* functions as the ACT's constitution as it sets out many of the arrangements that determine how its system of government operates;
 - (b) the Federal Liberal and National parties have a history of seeking to unilaterally intervene in the democratically elected ACT Legislative Assembly's decision making processes;

- (c) this Assembly passed a remonstrance motion on 13 September 2018 regarding the Commonwealth Parliament’s failure to restore Territory rights;
 - (d) the *Restoring Territory Rights Act 2022* (Cth) restored the rights of the peoples of the Northern Territory and ACT to make laws regarding voluntary assisted dying through their democratically elected representatives, overturning the Howard Liberal Government stripping rights from Canberrans in 1997;
 - (e) the Queensland Liberal-National Senator, the Hon Matthew Canavan, introduced the Australian Capital Territory (Self-Government) Amendment Bill 2023, publicly supported by the Acting Leader of the Canberra Liberals, which was described by the relevant Senate Committee as an “unwelcome interference on the part of the Commonwealth Parliament in the proper functioning of the Australian Capital Territory Legislative Assembly”. Senator Canavan’s bill was defeated on 13 September 2023; and
 - (f) the Western Australian Liberal Senator, the Hon Michaelia Cash, introduced with the public support of the Leader of the Liberal Party, the Hon Peter Dutton MP, the Australian Capital Territory Dangerous Drugs Bill 2023 on 14 September 2023 to again seek to undermine the proper functioning of the ACT Legislative Assembly;
- (2) calls on all Members of the ACT Legislative Assembly to sign a letter, addressed to the President of the Senate of the Australian Parliament and the Speaker of the House of Representatives, reaffirming all Members of the ACT Legislative Assembly’s support for Territory rights and concern about the repeated attempts to undermine the proper functioning of the ACT’s Legislative Assembly, before the Assembly rises today, a copy of which will be tabled; and
- (3) requests that the Speaker transmit the letter as soon as practicable following adjournment today. (*Notice given 19 September 2023. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

- (1) notes the importance of World Day for Safety and Health at Work and International Workers' Memorial Day commemorated internationally on 28 April of each year and that:

 - (b) an opportunity to focus on the importance of health and safety at work and the joint responsibility shared by all in keeping our workplaces safe and fostering a positive work safety culture;
 - (c) all workers have the right to return home safely from work;
 - (d) in 2023, the theme for World Day for Safety and Health at Work was "A safe and healthy working environment is a fundamental principle and right at work", focusing on good work; work that is not only safe, but that is also good for us by contributing to our physical and psychological health and wellbeing; and
 - (e) in 2023, the theme for Workers' Memorial Day was "remember the dead, fight for the living"; and
- (2) express solidarity in reflecting on the importance of World Day for Safety and Health at Work and International Workers' Memorial Day which occurred on 28 April 2023 by:
 - (a) formally recording a continuing and shared commitment to being a world-leading jurisdiction in work health and safety; and
 - (b) continuing to provide Territory workers with contemporary laws that recognise the complexity of modern workplaces and emerging hazards and keep pace with community expectations.

4 **FERAL HORSES—IMPACTS AND MANAGEMENT IN THE AUSTRALIAN ALPS:**

Resumption of debate (*from 7 June 2023—Mr Gentleman*) on the motion of Ms Vassarotti—That this Assembly:

- (1) notes that:
 - (a) the impacts of feral horses on the environment and biodiversity is in most cases catastrophic and leads to a loss of vegetation, the trampling of soils, the spreading of weeds, the erosion of stream banks and damage to threatened species, their habitat, and aquatic environments;
 - (b) there are significant populations of feral horses over the border in NSW that pose a significant threat to the ACT should incursions occur;
 - (c) in February 2023, the Senate referred the impacts and management of feral horses in the Australian Alps for inquiry;
 - (d) the ACT Government made a submission to the Senate inquiry that describes the critical need to protect the ACT's highly sensitive water supply and conservation areas from the feral horses; and
 - (e) the ACT Government continues to deliver monitoring and control programs to protect the ACT from feral horses and as a result there are no established populations of feral horses in the ACT; and

(2) supports:

- (a) the ACT Government's ongoing zero-tolerance policy on feral horses in Namadgi National Park, outlined in the *Namadgi National Park Feral Horse Management Plan 2020*, which includes integrated best practices such as trapping, mustering, removal and aerial control management;
- (b) ongoing detection and control action by the ACT Government to protect Namadgi National Park and other reserves from feral horses;
- (c) the ACT Government position that there remains a misalignment of policy between the ACT Government and the NSW Government about the management of feral horses in the Australian Alps as described in the *NSW 2021 Kosciuszko National Park Wild Horse Heritage Management Plan*;
- (d) the ACT Government position that these sensitivities must be addressed and that the ACT and NSW must continue to work towards achieving a coordinated and cohesive approach to feral horse management between the two regions; and
- (e) that the Australian Government has significant powers and responsibilities to protect matters of national environment significance under the *Environment Protection and Biodiversity Conservation Act 1999* and has an important leadership role to ensure that state and territory initiatives to control feral horses are consistent with this Act.

Notices

1 **MR PARTON:** To move—That this Assembly:

- (1) notes that:

 - (b) Minister Steel has continued to state that Stage 2A will be completed in 2026, and quite at odds with the advice his Government gave the National Capital Authority (NCA);
 - (c) in evidence submitted to the Standing Committee on Public Works, the NCA indicated that the ACT Government advised Stage 2A construction would be completed by 2027-28; and
 - (d) the substantial slippages in the Stage 2A completion date and expected date of operations cast significant doubt over its cost stability and the likely commencement of the Stage 2B project;
- (2) further notes that:
 - (a) in relation to Light Rail Stage 2B, the NCA Chief Executive expressed concerns about the feasibility of the Government's preferred route to Woden, stating on ABC Radio that it may be "technically challenging" for it to make the transition from Commonwealth Avenue onto State Circle;
 - (b) Light Rail Stage 2B involves a complex approval and Commonwealth Parliament scrutiny process due to its passage into the parliamentary precinct;
 - (c) the route through the parliamentary precinct is riddled with technical and other complexities, including protection of heritage values;
 - (d) the ACT Government has refused to rule out reverting back to the Barton dogleg route which significantly increases tram travel times to and from Woden;
 - (e) in December 2022, the NCA said that they do not expect a Stage 2B works approval application from the ACT Government for many years;
 - (f) the engineering risks and route challenges could substantially add to the undisclosed total cost of Stage 2B;
 - (g) the uncertainties and mounting risks are eroding the Canberra public's confidence in the viability of this massive undertaking; and
 - (h) the ACT Government should acknowledge the scale and complexity of Stage 2B is pushing the limits of the public's confidence and tolerance; and

- (3) calls on the ACT Government to:
 - (a) not proceed with construction contracts for Stage 2B until firm completion and operational dates are clarified for Stage 2A;
 - (b) commission an independent review of the viability of proceeding with Stage 2B including the merit of other public transport options before construction tenders are called for that stage;
 - (c) report back to this Assembly on the findings of the independent review; and
 - (d) report back to this Assembly on a comprehensive business case including an approved route solution and total costs that must be covered by Canberra's community. *(Notice given 18 September 2023.  - (c) ACT Labor and ACT Greens included this commitment in the Parliamentary and Governing Agreement for the 10th Assembly on multiple occasions:
 - (i) commitment 15.2 under Community Facilities to “[c]onstruct a large new multicultural events venue at EPIC for cultural performances and available for hire for large private functions, such as weddings.”; and

- (2) further notes the:
 - (a) Minister for Multicultural Affairs advised the Select Committee on Estimates 2023-2024 that the proposed refurbishment of Fitzroy Pavilion at EPIC would sufficiently fulfill ACT Labor's commitment at the 2020 ACT election for an exclusive multicultural venue in EPIC; and
 - (b) the cost of refurbishment of Fitzroy Pavilion has not been disclosed to the public as this is in the pre-tender stage; and

- (3) calls on the ACT Government to:
 - (a) honour the terms of commitment 15.2 and commitment 18.3 of the Parliamentary and Governing Agreement for the 10th Assembly by constructing a new purpose-built indoor venue for multicultural use at EPIC;
 - (b) meet with the Multicultural Advisory Board within 30 days of the passing of this motion to provide an update on the project; and
 - (c) expedite project planning work and tender procurement to ensure a timeframe on delivery will be available by 31 December 2023.

 - (c) the Select Committee on Estimates 2023-2024, question taken on notice No 84, revealed that two machines (one being a magnetic resonance imaging (MRI)), no longer qualify for full access to the Medical Benefits Schedule (MBS) as they exceed the “maximum extended life age”;
