

Corrigendum

Paragraph 1.12

Reads:

There were nine unanswered Questions Taken on Notice and 48 unanswered Questions on Notice at the time of report consideration.

Change to:

There were ten unanswered Questions Taken on Notice and 17 unanswered Questions on Notice at the time of report consideration.

Paragraph 1.16

Reads:

This year, the report was due on 16 August 2024, nine business days following the last day of hearings. There were nine QTONs and 48 QONs outstanding at the date of the last consideration of this report.

Change to:

This year, the report was due on 16 August 2024, nine business days following the last day of hearings. There were ten QTONs and 17 QONs outstanding at the date of the last consideration of this report.

Paragraph 3.8

Reads:

The Cultural Facilities Corporation, which is part of the Chief Minister, Treasury and Economic Development Directorate, noted in the Budget Statements that the performing arts sector was highly volatile: ‘This means that the production of theatre performances remains a risky financial proposition at present’. This would suggest that increased direct funding to artists was warranted.

Change to:

The Cultural Facilities Corporation noted in the Budget Statements that the performing arts sector was highly volatile: ‘This means that the production of theatre performances remains a risky financial proposition at present’. This would suggest that increased direct funding to artists was warranted.
