Dear Mr Cocks

Ed

Committee changes

I write in response to your letter dated 12 February 2025 indicating that a change in committees is requested to cover the leave of absence for Ms Lee.

Ms Lee will be discharged from the Environment, Planning, Transport and City Services Committee, Economics, Industry and Recreation Committee and the Integrity Committee effective immediately.

As requested, I approve the changes to the following committees.

- Mr Cain MLA to be appointed to the Environment, Planning, Transport and City Services Committee;
- Mr Hanson MLA be appointed to the Economics, Industry and Recreation Committee; and
- Mr Cocks MLA be appointed to the Integrity Committee.

As per Standing Order 223 these changes will be effective from today to allow new placements on the Committees to occur to ensure the Annual Reports inquiries continue as planned.

I will report the change of memberships to these committees at the Sitting commencing the 4th of March 2025 and the Assembly shall resolve the membership of the Committees.

Regards,
