Good afternoon CECA,

As part of my commitment to the ECEC community, I provide an anonymous reporting tool for educators who are too afraid to report on incidents themselves. The following information has been provided and may require further investigation by the ACT regulatory authority.

**Date of Report Submission:** 25/10/24

**Centre Name** [Nido Early School Franklin](#)

**Centre Address** [2 Mavis Latham St, Franklin ACT 2913](#)

**Date of incident/concern (if happens regularly you can provide additional dates)** [no nappy change occurred within the last week and the other potentially month or longer ago they were sent to be by families at the service](#)

**Incident or Concern** [one incident of a child falling from a structure becoming unconscious and the service director not calling an ambulance and making the parent drive their child to hospital. the other a child hadn't had their nappy changed for the entire day and was collected by mum in the same nappy she dropped them off in - i have screenshots from people explaining both situations that occurred happy to send them through also](#)

**Has there been any actions taken by you or other staff members to try and remedy the incident or concern? If so, what actions were taken?** [parent emailed regarding the no nappy change and not sure about the unconscious one](#)

**Your role at the Centre** [P05](#)

*To maintain integrity of information, I collect the names and contact details of educators submitting reports through the tool.*

*If you would like the educator's information, please let me know and I can seek permission from them to pass on their details.*

Kind Regards,
