Environment, Planning and Sustainable Development Directorate

OFFICIAL

To: Minister for Climate Change, Environment, Energy
and Water

Tracking No.: 25/000218

Date: 9 January 2025

From: Environment, Planning and Sustainable Development Directorate

Subject: WEEKLY BRIEF - Commencing 13 January 2025

Purpose

To provide you with a summary of the current work from the Environment, Planning and Sustainable Development Directorate (EPSDD). The brief also includes matters scheduled to occur from 13 to 19 January 2025.

KEY ISSUES

Out of scope

Out of scope

Out of scope

Water

Lake Tuggeranong catchment plan technical reports

The Office of Water has completed three technical reports that underpin the Lake Tuggeranong catchment plan. These reports detail the water modelling, data analysis and economic analysis that has informed the development of the catchment plan. These reports will go to peer review immediately.

Lake Tuggeranong catchment plan second draft

A second draft of the lake Tuggeranong Healthy Waterways plan has been produced and has been sent to two expert peer reviewers as well as internal reviewers for comment. Once comments are provided in January, the plan will be revised and made available to your office for review. Along with the revised plan, you will receive a brief outlining the background, purpose, and process for making any final revisions before it is submitted to Cabinet and released on YourSay for public comment.
