#	Date	Month	Event Type	Project Type	Description / Activity	Note
	16	August	Stakeholder engagement - Staff	CAMHS Cottage	1 online briefing session held with CAMHS Cottage staff covering: the service's planned relocation to Lyons, overview of project and next steps with ACTHD and CHS. Sentiment was neutral, reflecting staff not concerned until more information is available (co-design, relocation timeline) -7 attendees (potentially more as some staff sharing rooms) -3 questions raised, no follow-up emails. Sentiment was neutral, reflecting staff not concerned until more information is available (co-design, relocation timeline) -7 attendees (potentially more as some staff sharing rooms) -3 questions raised, no follow-up emails.	
	21	August	Media announcement	Northside Hospital Project	Ministerial announcement for shortlisted Very Early Contractor Involvement (VECI) tenderers.	Stakeholders to be updated
	22	August	Stakeholder engagement - Consumer group / NGO / health service provider	Directions ACT Relocation	Meeting with Directions ACT (AOD service) covering potential options for the service future relocation and opportunity to advise about the upcoming CAMHS relocation announcement.	
	27	August	Media announcement	CAMHS Cottage	Ministerial announcement for CAMHS Cottage relocation and design partner selected.	
	27	August	Internal communications	CAMHS Cottage	Project update sent to CAMHS / Cottage staff, HCCA, mental health stakeholder groups and consumers.	
	29	August	Government relations	Northside Hospital Project	Comms and Engagement Working Group met to discuss upcoming activities. TOR approved, RACI and SOP to be finalised out of session.	Organisation/stakeholders to be updated Meeting notes?
	12 - 16	August	Clinical engagement	Northside Hospital Project	5 clinical engagement sessions with staff as part of the Clinical Services Plan in development. Sentiment was positive, with staff noting they appreciated the inclusive engagement. Feedback from the sessions was focused on level of services being delivered; whether Centres of Excellence would be incorporated; considerations for paediatrics; how innovation can be incorporated in the design; how training/education and research spaces will be incorporated into the design.	KE
	5 - 9	August	Clinical engagement	Northside Hospital Project	7 clinical engagement sessions with staff as part of the Clinical Services Plan in development.	KE
	13 & 14	August	Stakeholder engagement - Staff	Northside Hospital Project	2 information sessions held for North Canberra Hospital staff covering: project overview, delivery, stages, next steps with ACTHD and CHS. Sentiment was positive, reflecting significant staff interest: -197 attendees (joining via Webex or in-person) -20 questions raised, and 2 follow-up emails received Key themes were reduction or reconfiguration of services; parking and transport; timeframes; specific spaces included.	Stakeholders/Organisation to be updated

UNOFFICIAL

	19 - 23 August	Clinical engagement	Northside Hospital Project	22 meetings held with clinical staff / services / departments as part of the development of a Clinical Services Plan. Sentiment was mostly positive, and staff have been very generous with their time/feedback provide. Feedback from the sessions was focused on digital innovation; design and considerations for mental health; level of services being delivered (e.g. ICU / trauma); how training/education and research spaces will be incorporated into the design. Some cynical views raised by staff about the timeline being overdue and the models of care/ capacity not being adequate to support population growth on the northside of Canberra.	KE
	21, 23 & 28 August	Internal communications	Northside Hospital Project	Event promotion and calendar reminders on the NCH intranet, followed with an all-staff email about the pop-up information sessions.	
	26 - 30 August	Clinical engagement	Northside Hospital Project	9 clinical engagement sessions with staff as part of the Clinical Services Plan in development. Sentiment was positive, with staff eager to have their say/feedback provide – evidenced by additional sessions being added in. Feedback from the sessions was focused on where the hospital will fit within the territory-wide approach to healthcare in Canberra, including levels of care; whether it will be a tertiary facility or not; parking; movement between hospitals; digital innovation; and whether the build will be staged.	KE
	26, 28 & 30 August	Stakeholder engagement - Staff and consumers	Northside Hospital Project	3 pop-up information sessions held at NCH main entrance to engage with staff and public. Representatives provided an overview of the project, delivery, stages, next steps and answered any questions. Sentiment was positive, but a low level of awareness noted. -50 attendees with a mix of visitors and staff -2 follow-up emails -Key themes were parking and connections with transport services; relocation of services; timeframes; outpatient services; paediatrics; and what specific spaces are being built for staff as part of the new hospital.	Stakeholders to be updated
	7, 8 & 12 August	Internal communications	Northside Hospital Project	Event promotion and calendar reminders on the NCH intranet and all-staff email about the staff information sessions.	Stakeholders/Organisation to be updated
	1 September	External communications	Northside Hospital Project	Article in Our Canberra print newsletters (all regions) about the shortlisted VECI tenderers.	
	7 September	Media announcement	Yamba Drive Entrance /B2 Foyer	Ministerial announcement about the Yamba Drive entrance works commencing at Canberra Hospital that will improve and modernise the western entrance.	
	9 September	External communications	CAMHS Cottage	Article on Our Canberra website (all regions), and social media posts (FB and LinkedIn) about the CAMHS Cottage relocation to Lyons.	
	9 September	External communications	Northside Hospital Project	Update to the Built for CBR – Northside Hospital Project website to refresh content with the latest information.
