### ANSWER TO QUESTION TAKEN ON NOTICE DURING PUBLIC HEARINGS

Asked by Mr COE on 24 June 2014: Minister Corbell, MLA for the Environment and Sustainable Development took on notice the following questions:

Ref: Hansard Transcript, Select Committee on Estimates 2014-2015, 24 June 2014, page 55.

With regard to the number of dwellings that have been build on Greenfield site do you have a figure for how many that might be for '13-14?

How many single dwellings have been built in Greenfield this year?

And if it is easily compiled, perhaps the last few years?

Minister Corbell: The answer to the Member's question is as follows:

The following table shows the number of building approvals granted for single dwellings only in Greenfield areas:
