Dear Mr Smyth

Re: Inquiry into elements impacting on the future of the ACT Clubs Sector

On behalf of the Canberra Bowling Club I wish to comment on the above mentioned inquiry.

The Eastlake Football Club has been a supporter of our bowling club for seven years and their contribution last year of \$4000 enabled us to conduct a most successful Christmas Carnival during the Christmas and New Year break. The Carnival is played over four days and is looked forward to and attracts many bowlers from other Canberra bowling clubs and from surrounding districts.

Without the support from the Club we would be unable to conduct such an event as we have been unable to identify any other organisation which would give us such support.

The assistance of the club industry in the ACT is reflected through our relationship with the Eastlake Football Club and is something that can only be maintained by the Club if they are able to remain a viable community asset.

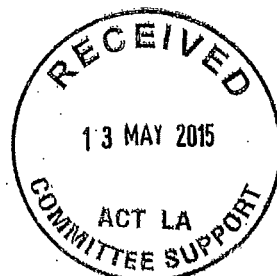

We trust that your Committee will see the invaluable role the Clubs play in our community.

Yours sincerely
