The Secretary
Standing Committee on Public Accounts
Legislative Assembly for the Act
GPO Box 1020
CANBERRA ACT 2601

Dear Mr Smyth,

RE: Inquiry into elements impacting on the future of the ACT Clubs Sector

On behalf of Evatt Calisthenics Club, I wish to comment on the above Inquiry.

The Canberra Labor Club Group has supported our organisation for 3years and during this time our organisation has received the use of a meeting room, with tea and coffee making facilities, for our monthly committee meetings, free of charge.

The Canberra Labor Club is in a central location to our club area and without this assistance our organisation would have had to hold our meetings in a committee member's home, thereby disrupting the family.

We cannot envisage any other organisation or government agency being able to fill the void if the Canberra Labor Club was not there to support us.

The assistance of the Club Industry in the ACT is reflected through our partnership with the Canberra Labor Club Group and is something that can only be maintained by the Club if they are able to remain a viable community asset.

We believe that the Clubs of the ACT play an invaluable role in our community.

Yours sincerely,

Jill
