Inquiry into referred 2015–16 Annual and Financial Reports ANSWER TO QUESTION ON NOTICE 27 February 2017

QON 6* Asked by MR COE:

In relation to: annual reports

1. For each of the financial years 2013-14; 2014-15; 2015-16; and 2016-17 (to date), how many corrigenda were issued to ACT government annual reports?
2. What was the cost for issuing corrigenda to ACT government annual reports in the financial years referred to in question 1 above?

CHIEF MINISTER: The answer to the Member's question is as follows:—

1. Based on responses from directorates and public sector bodies there were seven corrigenda to 2013-14 ACT Government annual reports, seven corrigenda to 2014-15 ACT Government annual reports and six corrigenda to 2015-16 ACT Government annual reports. There are no corrigenda to 2016-17 annual reports as annual reports are an account of the financial year and the 2016-17 financial year has not yet concluded.
2. Due to a printing error a cost of \$1,254 was incurred to re-print 50 2013-14 annual reports. Other than this there were no other costs incurred, outside of the use of existing staff resources, for issuing corrigenda to ACT Government annual reports in the 2013-14 to 2015-16 financial years.

The issuing of corrigenda does not necessarily entail the re-printing of annual reports. Typically corrections are made to online reports and a corrigendum copy is placed on the reporting entity's website.
