Submission Cover Sheet

End of Life Choices in the ACT

Submission Number: 147

Date Authorised for Publication: 29/3/18

From: Sally Cuff
To: [LA Committee - EOLC](#)
Subject: End of life choices
Date: Wednesday, 21 February 2018 6:56:57 PM

This is something that should absolutely be implemented in the whole of australia. People should not be forced to suffer from debilitating conditions just because the government says so. Allowing people this decision will also alleviate the pressure on the health system...albeit a small amount but it will still free up services and beds for people that can be cured and want to live on instead of using precious resources and money keeping people alive that dont want to be anymore and adding stress on already grieving families.
