End of Life Choices in the ACT

Subject: Inquiry into End of Life Choices

I strongly endorse the submission from Exit International (ACT Chapter) of which I am a member. I believe that every adult of sound mind has the right to implement plans for the end of their life so that their death is reliable, peaceful and at a time of their choosing. Exit believes that control over one's life and death to be a fundamental civil right from which no one of sound mind should be excluded. Please act to ensure that voluntary euthanasia is available to those who want it.

Stan Fleetwood.
