End of Life Choices in the ACT

Submission Number: 398
Date Authorised for Publication: 19/4/18
The Chairman

I am writing to express my opposition to euthanasia or assisted dying. Whatever name you give it, it is the deliberate attempt to end the life of another human being and unless this is in self defence or defence of society this is always wrong.

If a patient is suffering let us attack the source of the suffering through palliative care and not the sufferer.

Happy to discuss further

Yours sincerely
