

Australian Capital Territory Remuneration Tribunal

Determination 7 of 2018

Principal Registrar and Chief Executive Officer, ACT Courts and Tribunal

made under the

Remuneration Tribunal Act 1995, section 10 (Inquiries about holders of certain positions)

ACCOMPANYING STATEMENT

Background

Under section 10 of the *Remuneration Tribunal Act 1995* (the Act), the Remuneration Tribunal (the Tribunal) is required to inquire into, and determine, the remuneration, allowances and other entitlements for certain full-time public offices.

On 28 March 2018, the Chief Minister requested that the Tribunal determine the remuneration, allowances and other entitlements to be granted to the position of Principal Registrar and Chief Executive Officer, ACT Courts and Tribunal.

Considerations

The Tribunal considered submissions from:

- the Chief Justice and Chief Magistrate (joint submission);
- the Principal Registrar and Chief Executive Officer, ACT Courts and Tribunal;
- the Justice and Community Safety Directorate;

The Tribunal also received advice at their hearing from the Chief Justice of the ACT, the Principal Registrar and Chief Executive Officer, ACT Courts and Tribunal and an official from the Justice and Community Safety Directorate.

The Tribunal noted the challenging and complex nature of the Principal Registrar position, particularly the dual responsibility to the three heads of jurisdiction in the ACT and the Executive Government, through the Justice and Community Safety Directorate in relation to financial accountability.

This determination sets out the Tribunal's decisions.

Decision

The Tribunal determined remuneration of \$241,915 per annum for the position of Principal Registrar and Chief Executive Officer, ACT Courts and Tribunal, effective from 20 April 2018.

10 Travelling arrangements

10.1 In this clause:

domestic travel means official travel to a destination within Australia.

international travel means official travel to a destination outside Australia.

reasonable expenses means legitimate work-related expenses incurred while conducting official business efficiently and effectively.

traveller means a person, appointed under clause 2.1 of this Determination, who is travelling away from their normal place of work for official purposes.

10.2 If a traveller is required to travel for official purposes outside of Canberra, the employer must pay the cost of the flights and accommodation expenses outlined below. The reasonable amounts set out in the relevant Australian Taxation Office Determinations¹ relating to meal and incidental expenses will be paid to the traveller as a reimbursement.

10.3 All reasonable expenses incurred by a traveller can be reimbursed. It is the intention of these travel arrangements that no traveller who travels for official purposes should be out of pocket, however they must be reasonable expenses.

11 Travel

11.1 All official travel is to be appropriately authorised prior to travel and must not be authorised by the traveller under any circumstances. This includes all official travel paid for privately or by the Territory.

11.2 A traveller may travel by one or more of the following:

- a) commercially provided road or rail transport;
- b) commercially provided flights;
- c) private motor vehicle.

11.3 Commercially provided travel should be selected on the basis of—

- a) what is most convenient to the person; and
- b) seeking the most reasonable costs.

11.4 If a traveller travels on commercially provided road or rail transport the employer will pay the fares for that travel.

11.5 A traveller must use the Territory's travel manager, which has been procured through a competitive process, as a preferred provider of travel and related services. The travel manager has been instructed to book all travel at the lowest logical fare.

¹ Taxation Determination 2017/19 or its replacement - Income tax: what are the reasonable travel and overtime meal allowance expense amounts for the 2017-18 income year?

- 11.6 If a traveller travels on commercially provided flights, the employer will pay the fares to the following standard:
- a) for domestic flights less than 4 hours—economy class;
 - b) for domestic flights of 4 hours or more—business class;
 - c) for international flights—business class.
- 11.7 If a traveller has approval to travel by private motor vehicle, the employer will pay the owner of the vehicle an allowance calculated in accordance with the Motor Vehicle Allowance set out in the *ACT Public Service Administrative and Related Classifications Enterprise Agreement 2013-2017*, or its replacement.

12 Accommodation

- 12.1 It is standard practice that where an executive traveller must stay overnight while on official travel, the employer will pay for commercial accommodation to the following standard:
- a) for domestic accommodation—4.5 stars;
 - b) for international accommodation—4.5 stars.
- 12.2 The employer will pay for a traveller to stay in commercial accommodation above the 4.5 star standard and the amounts set out in the relevant Australian Taxation Office Determinations, if—
- a) the cost is reasonable; and
 - b) to do so would better enable business objectives to be met.

Examples where business objectives may be better met:

- to allow a traveller to stay in the commercial accommodation where a meeting, conference or seminar they are attending is being held;
- to allow a traveller who is traveling with the Speaker or a Minister to stay in the same commercial accommodation as that Speaker/Minister if they are entitled to a higher standard of accommodation.

13 Meals

- 13.1 If a traveller is absent from Canberra for more than ten hours while on official travel, the employer will reimburse actual, reasonable expenses for meals up to the amounts set out in the relevant Australian Taxation Office Determinations.

14 Incidental expenses

- 14.1 The employer will reimburse all reasonable and legitimate expenses directly related to official travel up to the amounts set out in the relevant Australian Taxation Office Determinations, including—

- 7.1 Frequent flyer points can no longer be accrued or used by a traveller as a result of travel and accommodation paid for by the employer for official travel.

16 Incidental travel in conjunction with official travel

- 16.1 Authorised travellers wishing to take personal leave during, or at the conclusion of official travel should obtain the appropriate approval consistent with the agreed travel arrangements.
- 16.2 Travellers may combine incidental personal travel with official travel, provided there is no additional cost to the Territory. Expenses incurred during leave are at the traveller's own cost. If the period of such incidental travel is greater than 40% of the period of official travel, a pro rata contribution must be made to the overall cost of the travel.
- 16.3 If insurance has been obtained for official travel, it will not cover the traveller for the duration of the personal leave.

17 Travel insurance

- 17.1 Travel insurance decisions should be based on risk management principles and include factors such as the nature and destination of the trip.
- 17.2 International travel will normally require travel insurance.
- 17.3 If necessary, the cost of travel insurance will be met as a reasonable work related expense by the Territory.
- 17.4 All legitimate and reasonable work related claims will be covered by the Territory.
