Asked by Tara Cheyne MLA:

In relation to: When was the shipping container section of the Planning Regulations last updated

**MS CHEYNE:** And have there ever been cases where a shipping container has been removed, and then come back?

**Mr Green:** Not that I can recall, no.

**MS CHEYNE:** Okay. This might be a question back to Mr Cilliers. Just in terms of the schedule, has it been reviewed or updated any time recently?

**Mr Cilliers:** Not to my knowledge, that particular part of it.

**MS CHEYNE:** Okay. Well, I know I can look this up myself—

**Mr Cilliers:** Yes.

**MS CHEYNE:** —but you have got it in front of you, I assume.

**Mr Cilliers:** Yes. I do not actually have the schedule itself in front of me.

**MS CHEYNE:** Okay. Well, you probably know, but if you do not, I will look it up and not waste the time. What was it dated?

**Mr Cilliers:** I have to take that on notice.

**Mick Gentleman MLA:** The answer to the Member's question is as follows:–

Schedule 1 of the *Planning and Development Regulation 2008* has not been reviewed or updated in relation to the exempt categories applicable to shipping containers. The current version of the Regulation is version R85 dated 17 May 2018.

Approved for circulation to the Standing Committee on Planning and Urban Renewal
