Dear Chair

I am writing to formally correct the record following the City Services Budget Estimates hearings on Friday 21 June 2019.

During proceedings I responded to a question about the number of cars projected on the Monaro Highway by 2031. The total number of cars projected is around 10,000 additional vehicles per day in 2031.

I would also like to clarify the conversation regarding dog registration fees. Currently there is a one-off fee that is paid for the lifetime registration of a dog. Under the Canberra Dog Model it is proposed that dog owners will need to register their dogs annually. I would like to confirm with the Committee that there will be no additional fee for this.

Yours sincerely
