Dear Mr Pettersson

*Michael*

Thank you for providing a copy of the proof transcript of the Standing Committee on Education and Community Inclusion Inquiry into Annual and Financial Reports 2019-20 and Budget Estimates 2020-21 for review on 10 March 2021.

I have reviewed the transcript and request the Committee to correct the record with the below advice;

Page 2 – regarding the opening of Taylor High School 2023 should be 2024.

Page 27 – regarding National Schools Chaplaincy Program

*There is no kind of handling margin for us, we do not keep any of that money should be corrected to*

*No ACT Public Schools receive any funding from the National Schools Chaplaincy Program. The Education Directorate, receives a small (3 per cent) payment, to cover the cost of administering this program, which is still utilised by Catholic and Independent schools.*

Thank you for your attention to this matter, if there are any questions do not hesitate to contact my office.

Yours sincerely
