Management of Closed-Circuit Television Systems  
ANSWER TO QUESTION TAKEN ON NOTICE  
12 August 2021**

Asked by Mr Michael Pettersson MLA:

In relation to:

Mr Steel: I think each directorate would have an understanding of the number of cameras that they have in operation, so I mean, I am happy to see what we can provide on notice and getting—collating that information from across the directorates to get an understanding, if you would like the total number.

Directorate	# of CCTV cameras
JACS	655
CMTEDD (Including Access Canberra)	527
Education	0*
ACT Health	336
CSD	84**
TCCS	2881
CHS	1221
EPSDD	32

\*Please note that while there are no monitored CCTV cameras in ACT schools, some schools have cameras in their sick bay areas. For the purposes of this response, these are not considered to be CCTV cameras as they are not monitored and no data is held centrally.

\*\* CSD has a number of CCTV cameras located in the Bimberi Youth Justice Centre, however the number is 'security in confidence' and has not been included in the figures provided.
