Hi,

I believe that the new 40km/h speed zone on Northbourne Ave / Barry dr need to be reviewed and more signage be put up before the 40km/h speed zone, possibly even before you enter the three lane round about at the end of Commonwealth Ave. I have read that before the new speed limit the average number of speeding infringements were 3 a day, over July the average was 391 a day. Massive increase, please look into this.

Thanks, Hamish
