Dear Mr Cain

On 3 May 2022 I wrote to you in response to the Standing Committee on Justice and Community Safety comments in Scrutiny Report 14 of 29 March 2022 on the Court Procedures (Fees) Determination 2022. My letter attached an amended Explanatory Statement and indicated that I would table the amended Explanatory Statement in the Assembly.

Unfortunately, I have now been advised that the amended Explanatory Statement cannot be included on the Legislation Register as it was received just outside of the six sitting day disallowance period. I have been further advised that, although I could table the amended Explanatory Statement in the Legislative Assembly, the statement could not then be accessed on the Legislation Register – potentially creating confusion for users.

In all the circumstances, and noting that new fees are expected in the coming months, I now propose to include the additional explanatory material sought by the Standing Committee in the Explanatory Statement for the next Court Procedures (Fees) Determination.

Yours sincerely
