Mr Jeremy Hanson MLA: To ask the Minister for Education and Youth Affairs

Ref: Budget Statement F, Budget Outlook

Hearing Date: 21 July 2023

In relation to: Output Class 1: Public School Education and Facilities and maintenance in ACT government schools

Can the department provide a full list of current projects and maintenance works for each government school in the ACT, including:

- 1) The name and description of each project
- 2) The projected cost for each project
- 3) The projected completion date for each project?

Minister Yvette Berry MLA: The answer to the Member's question is as follows: –

To collect and assemble the information sought solely for the purpose of answering this question would require a considerable diversion of Directorate resources. In this instance, I do not believe that it would be appropriate to divert resources from other priority activities for the purposes of answering the question.

A summary of the 2023-24 Infrastructure Program is outlined on pages 24 – 25 of Budget Statement F – Education Directorate. This information includes total project values and completion dates.
