Dear Treasurer

Section 20AB(c) of the *Financial Management Act 1996* requires the Speaker to give the Treasurer a draft Budget for the ACT Integrity Commission, following consultation with the relevant committee, in this case, the Justice and Community Safety Committee.

The process of consultation in relation to the budget for the ACT Integrity Commission has concluded and I provide for your information the budget papers provided to me by the ACT Integrity Commission.

The recommended appropriation for 2023-24 amounts to \$8.610m. This comprises:

- baseline funding (2022-23 Budget), budget policy and budget technical adjustments (\$7.577m); and,
- a one-off capital injection rolled over and re-profiled from unspent 2022-23 funds and budget policy adjustments (\$1.033m)

In accordance with section 20AB(b) of the Financial Management Act, I am required to present this recommended appropriation to the Assembly. I intend to table this letter and the ACT Integrity Commission budget on budget day.

Yours sincerely
