In relation to:

MyHome Board - can you provide a list of all the consultation meetings between the Board, Office for Disability and ACT Health officials about this project in the last 12 months?

MR COCKS: Let me say that from my discussions with a number of the stakeholders involved that you have mentioned, they do not feel well consulted. Perhaps you could provide, perhaps on notice, a list of all the occasions that that group of stakeholders, the church, the Board, all the occasions that in the last 12 months they have been consulted about this project.

Ms Davidson: I could certainly provide a list of dates on which there has been consultation meetings between the Board and the Office for Disability and the ACT Health officials to talk through what has been happening, but I can tell you, you know, if I go down to the local shops and run into people, I am still going to get asked questions about it, and some of those will be members of that organisation and so, you know, we have—we continue to discuss where things are up to and what we can do about it and how to progress it.

MINISTER DAVIDSON: The answer to the Member's question is as follows: –
