### ANSWER TO QUESTION TAKEN ON NOTICE DURING PUBLIC HEARINGS

Asked by Ms Clay on 31 July 2023: Ms Mirzabegian took on notice the following question(s):

[Ref: Uncorrected Hansard Transcript 31 July 2023 [PAGE 74]]

In relation to: Electric Bus Contract

**MS CLAY:** Excellent. We have been looking, in our office, for the electric bus contract. And I think that was executed quite some time ago. When would that one be uploaded, do you think?

**Ms Mirzabegian:** I would have to take that on notice. So if I might just explain the process—

At the end of the session Minister came back on this with the below

**Mr Steel:** Sorry, I was just going to sort of have some further information in relation to the contract and contract register Ms Clay mentioned one particular contract in relation to I think it was the 90 electric buses. I understand that the contract was executed on 25 May and published on 25 July. We can provide some further information about that.

**Special Minister of State:** The answer to the Member's question is as follows: —

Procurement ACT records show that the contract for the Supply of 90 disability discrimination ACT compliant Electric Buses and Ancillary Goods was provided to Procurement ACT on 25 July 2023. Procurement ACT published the contract on the same day. The delay in providing the contract to Procurement ACT to be uploaded to the Tenders ACT website was due to an administrative error.

The contract can be found on the notifiable contracts register at [Contract - GS2404889](#).

Approved for circulation to the Select Committee on Estimates 2023-2024
