Minister for City and Government Services took on notice the following question(s):

THE CHAIR: Have you done any analysis—maybe you can take this on notice and provide the information—on what cycling programs there are in existence in Canberra, who they are run by, and can you also provide how much the active travel budget is at the moment? Is that information you can provide me with?

Ms Cheyne: You can certainly take the active travel budget. I am not really sure it is the directorate's responsibility to do an analysis of publicly available services.

Ms Tara Cheyne MLA: The answer to the Member's question is as follows:

As identified in the response to QON 118 on Friday 6 December 2024:

- The total forecast expenditure for Active Travel infrastructure in the 2024-25 budget is \$16,466,000.

Approved for circulation to the Standing Committee on Environment, Planning, Transport and City Services
