Transcript provided: 14 February 2025

Answer Due: 21 February 2025 5.00 pm

Alisa Borwick took on notice the following question(s):

MS CARRICK: Thank you. And could you please provide a breakdown of the distribution of the public housing by district? The number of dwellings – yes, the number – yes, just a breakdown across the districts? You know, like so 20 there, 2,000 there?

Ms Borwick: We will have to take that on notice around those areas. We just need to be a little bit mindful around not identifying individual locations —

MS CARRICK: No, that is true.

Ms Borwick: But I understand what you are saying.

MS CARRICK: But by district, like with 11,000?

Ms Borwick: Yes, yes.

MR HANSON: But you could by suburb, I would presume.

Ms Borwick: We have done responses to that previously on questions on notice. So I will just have to look it up. I think we will just refresh that, yes.

THE CHAIR: Thank you.
