## Inquiry into Petition 002-25: Hawker Village shops redevelopment

Submission number: 012

Submitter: Name Withheld

Date authorised for publication: 14 April 2025

I am a Hawker resident, and wish to comment on the redevelopment of the Hawker shops. I approve of the requirement for dwellings on top of the shops; these will increase the foot traffic in the shops, and thus make a diversity of shops more viable. However I ask what provision will be made for car parking for the residents of these dwellings – it is unrealistic to imagine they will not have cars, and will solely use buses.

In general, concerning the tender for the re-development, I believe it should be open to various developers, not just Woolworths. There should be provision made for a variety of small shops, and a large green space, to be sited outside cafes, where people sit.
