Hello,

I am still awaiting my pay despite assurances over the last three days, I do not understand why myself and many of my co-workers are yet to be paid, this is outside of the issue of our unpaid super.

The promises and words from Genius Childcare have yet again been hollow and filled with lies, we educators all work far too hard to be treated as though paying us is an option not an obligation.

This is extremely disheartening as we have tried, time and time again to foster a sense of trust and stability for the families and children who use our services but I do not think we can do so any longer given that Genius Childcare has failed its staff and community yet again.

Yours sincerely,
