Closed as a result of	<p>This morning at 9:20am I walked into the Junior Preschool Classroom. Through the window to the bathroom I noticed a child, [P01], laying on the change table. It appeared from in the classroom that there were no Educators in the bathroom. I then quickly walk into the bathroom and saw that [P01] was crouched down looking for a nappy liner in the cupboard. The cupboard is located under the sink and is around 2 meters away from where the change table is. I suspect that [P01] was left alone on the change table for around 30 seconds to 1 minute.</p> <p>I immediately raised my concern about this situation with the Educator, [P01]. This was then also followed up by a meeting and a note put on [P01]'s file.</p> <p>[P01]'s mother was contacted via phone and an incident report was created.</p>
