Subject: Submission re specialty disability housing
Date: Tuesday, 17 March 2026 11:18:13 AM

Good day,

I just wanted to plead that families are considered. Specialty disability housing is almost always for single people. We need to stop with this myth that disabled people don't have families. We do. I'm married. We should also be able to have the space to have friends over like anyone else.

Thank you for your time and consideration

Nicola Harrod
