MS TOUGH: Thank you. On public housing and historically inheriting a lot of dwellings from the commonwealth government when self-government came on, obviously there has been a lot of work done on new dwellings, but what is the average age of dwellings?

Ms Shields: I would have to take that on notice; I am not sure.

Ms Yvette Berry MLA: The answer to the Member's question is as follows:

The average age of Housing ACT dwellings was 34.08 years at 31 March 2026.
