

Exhibition Park in Canberra

Ms Meredith Hunter
Secretary
Select Committee on Estimates 2010-2011
ACT Legislative Assembly

Dear Ms Hunter

I wish to clarify a response I gave to a question about my employment status raised by Mr Rattenbury MLA at the Committee's hearing of 26 May 2010.

Mr Rattenbury asked if I no longer worked for the Department of Territory and Municipal Services (TAMS). I replied that I now worked for the Exhibition Park Corporation (EPC). By that I meant that I had left my position as acting General Manager of ACTION, which is on the TAMS establishment. My current position is General Manager of Exhibition Park Corporation. Under provisions of the *Exhibition Park Corporation Act 1976* Section 10, EPC staff are attached to the department with administrative oversight of the organisation, which in this case is TAMS.

I was appointed to the position by the Chief Executive of TAMS, in accordance with section 80(3) of the *Financial Management Act 1996*, after a merit based selection process conducted by the EPC Board.

Yours sincerely

Liz Clarke
