File No.A10/128

29 November 2011

Dear Ms Hunter,

I am writing to provide additional information to a comment made by myself, regarding the *Audit/assessment of ACT government agencies environmental performance reporting* on page 10 of the draft Hansard, during my appearance before the Standing Committee on Climate Change, Environment and Water, Annual and Financial Report 2010-11 hearings (3 November 2011).

At that time I indicated, in a response to the Committee, that I was unaware of the Office of the Commissioner for Sustainability and the Environment communicating with the Minister about the release the report.

It has since come to my attention that, following the hearing of Select Committee on Estimates 2011-2012, in May 2011 a letter was sent by the Commissioner to the Minister for Environment, Climate Change and Water highlighting that the *Audit/assessment* was yet to be released.

Yours sincerely

Mr Robert Neil
Commissioner for Sustainability
and the Environment
