Correction to evidence provided at Committee hearing on 17 February 2010

I refer to my appearance before the Committee on 17 February 2010 regarding the inquiry into campaign finance reform.

I would like to bring a correction to my evidence at that hearing to the Committee's attention. Where I referred to a party receiving "over \$800,000" in income last financial year that did not have an identified source, the amount should have been "over \$600,000". My office made a mathematical error in our calculations which we have uncovered following a request for clarification from the *Canberra Times*. We will ensure that the correct amounts are included in our formal submission to the Committee.

Please accept my apologies for this error.

Phillip Green
Electoral Commissioner
