

To the members of the Planning Committee,

As a resident of the inner-south I am excited at the prospect of the Griffith-Change of Zoning paving the way for the Brumbies to have an international standard training and administration complex. This development will be great for ACT Rugby and Canberra. As a citizen of Canberra I would like to support Brumbies Rugby and Draft Variation to the Territory Plan No.307 Griffith-Change of Zoning.

This will be a great opportunity for small business in the area to grow from such a development. This is further a great opportunity for the Brumbies, developments such the the proposed are crucial to Canberra and takes the pressure off all levels of Government in terms of funding.

Please ensure that we safeguard the future of Rugby in this great city.

Regards,

Nick Xirakis
